

**OUT WITH THE OLD, IN WITH THE NEW.
CO-OP'S AUTO-VOUCHERS REPLACE
THE FRUSTRATION OF CAB CHITS.**

Exclusively for our corporate clients, Co-op's auto-vouchers mean recording the details of your trip so you have accurate travel information for your own billing purposes. Now you can track the pick-up and destination points for every ride under your account.

Pictured above: You can instantly find electronic images of your used vouchers within seconds.

PRE-PRINTED OPTIONS

To make things easier, rather than relying on employees to fill out all the necessary information in the cab, vouchers can be made to your specifications from pre-printed pick up and drop-off points to client reference numbers and even the dollar amount for the tip.

These customized options increase security, and saves your company time and money by reducing invoice reconciliation.

EXACT TRACKING AND ELECTRONIC SORTING MEANS ADDED SECURITY FOR YOU

Our drivers submit all voucher payments to the Co-op office and ensure passengers receive a payment stub for their files. Because we are able to track every single voucher by its bar code from order to invoice, you can never be billed for a voucher you did not use or double billed for one that has already been invoiced.

AN INVOICE YOU CAN UNDERSTAND

You have enough to keep track of, so at Co-op, we keep things simple. Your invoice will clearly display a copy of every voucher used and provide you with a summary of your recent account activity.

CO-OP CABS AUTO-VOUCHERS. HOW THEY WORK.

STEP 1

Use the vouchers in the cab, filling out the required information. Be sure to sign it before giving it back to the driver.

STEP 2

Our drivers turn over all submitted vouchers to the Co-op office to create an electronic invoice. All your used vouchers will be displayed in one place.

STEP 3

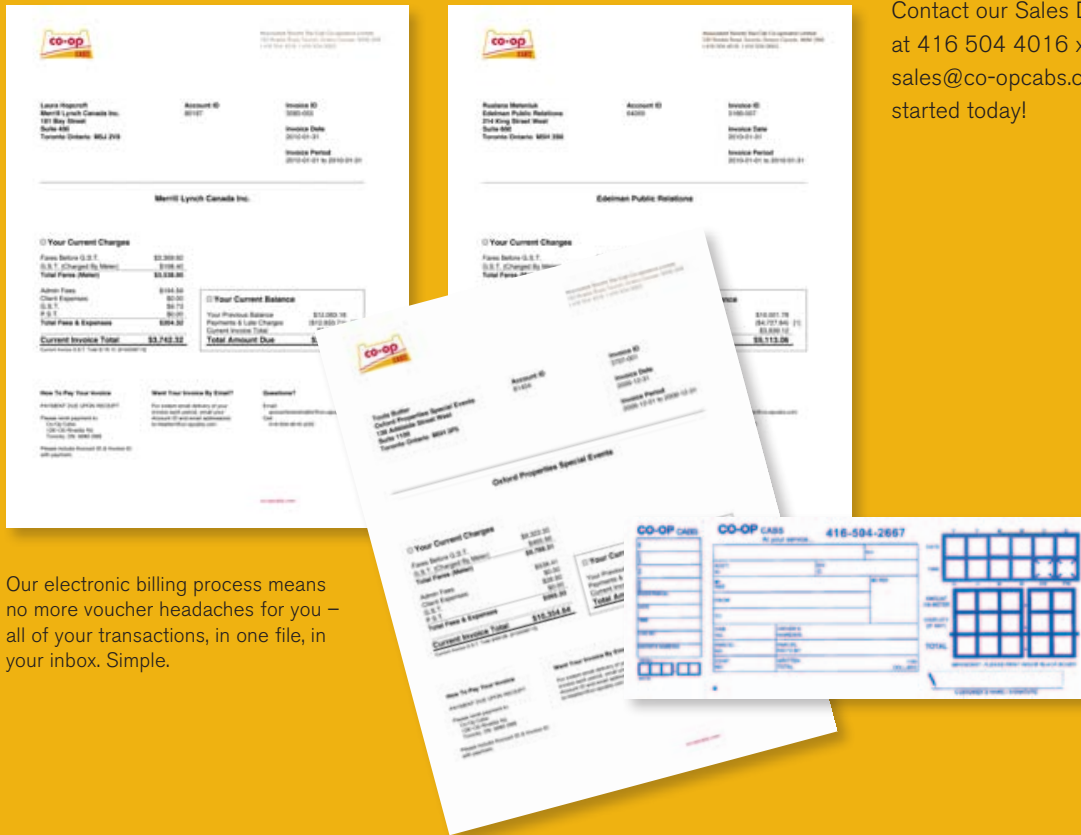

You choose the type of invoice that best suits your needs. We can mail your printed invoice or send it electronically by email.

STEP 4

Go online to track your transactions. Download and order new voucher books, track used vouchers, invoices and payments.

STEP 5

Contact our Sales Department at 416 504 4016 x243 or sales@co-opcabs.com and get started today!

Our electronic billing process means no more voucher headaches for you – all of your transactions, in one file, in your inbox. Simple.
